Email Sent to Chapter groups (by Padmanava on 9th November 2015):

We have reached the final stage of this year's ARC cycle and this is the voting phase. After multiple rounds of feedback, we have created the final version of the various policies that will guide Asha's legal structure and Operating policies going forward. These policies are linked here: [Asha Legal Structure and Operation](#)

Please send me your vote by November 13th so that I can vote from Atlanta side.
