The MOU to Support the mission "Damini Darubandi Abhiyan Project in BEED "executed by Satyabhama Saundermal .Satyabhama attempts to address this problem through strengthening the power of women to prevent the operation of liquor shops where men spend all their money. Damini's approach includes building awareness among the youth about alcoholism and building pressure on the government for effective implementation of legislation. Damini aims to train women in these acts and laws and work with the police to conduct raids on liquor shops, while providing support systems for women in the form of handling domestic violence cases.

Satyabhama has won the Maharashtra Foundation (US based) award for this project .

The Funds for this project will be utilized from the Award Money \$9,239.which MF will deposit in Asha for Education treasury.

It was unanimously decided to support the project.
